

Microsoft Fabric licensing

What to expect & what are the benefits?

Per-user licensing and pricing

From **April 2025** onwards, per-user licensing will increase by **\$4** for both PRO and PPU licensing.

Existing EA customers will keep their current pricing until their next renewal.

Welcoming Microsoft Fabric capacities Retiring PBI Premium per capacity

AS-IS situation	New customers	Customer w/o EA	Customer with EA
Purchase	⊗	N/A	N/A
Renewal	N/A	⊙	⊙
End date	Not possible anymore	Jan 2025	Until end of EA agreement

Two reasons to revisit your license strategy

- 1** Possible **cost benefit** to move towards capacity licensing
- 2** **New features** are moving towards (Fabric) capacities

With Microsoft Fabric, a whole new range of platform capabilities are coming to you
